

The Children's Passport Issuance Alert Program (CPIAP) allows the Department of State's Office of Children's Issues to contact the enrolling parent(s) or legal guardians(s) to verify whether the [parental consent requirement](#) for minor passport issuance has been met when a passport application has been submitted for an enrolled child. In addition, upon a child's enrollment in the CPIAP, we may alert the enrolling parent(s) or legal guardian(s) of a pending passport application and past passport issuances for the child. Only U.S. citizens or children who qualify for U.S. citizenship under the age of 18 can be enrolled in the CPIAP.

If you have immediate concerns about international parental child abduction and wish to speak to someone, call 1-888-407-4747 and ask to speak to a Prevention Officer.
